Friends of Priory

A reminder to 'save the date' for 28 September 2023! We hope to see lots of you there.

We are a supportive group of parents and staff who meet regularly and explore ways to add value to the school through a collaborative approach. Some of the ways we support the school are through fund raising and events organisation to benefit our students and enhance a sense of fun and community.

The Friends of Priory are next meeting on Thursday 9 November at 6pm.

Head to the [Friends of Priory School Facebook Group](#) to get involved!

Information regarding young people accessing pornography

We are more and more aware of young children accessing pornography online and there is a lot of work taking place in school to better educate our students around healthy relationships and so on. We also rely on the support of parents/carers having honest conversations with their children in regards to the content they are accessing on their mobile phones.

Please spend some time having a read at this recent article:
