

8 September 2023

Dear Parents/Carers,

Welcome to the new academic year for 2023/24. We were delighted to welcome our students back on to site as well as our new Year 7 cohort! We hope they have enjoyed their first week at PCSA.

A big thank you to parents/carers for their support in terms of uniform. Please do get in touch if we can be of assistance with any uniform or equipment that your child may need.

Open Evening

We held our annual Open Evening last night and had an amazing amount of visitors attending our school. A huge thank you to our wonderful student helpers – they represented the school excellently and we have received so much positive feedback about them.

GCSE Results

During the summer break, our previous Year 11 students received their GCSE results. We were so proud of them all that after a couple of years of disruption and adversity they showed exceptional maturity and real resilience. We were able to celebrate some excellent results.

Friends of Priory

You will have seen recently that we have launched our Parent Teacher Association 'Friends of Priory'. Our aim is to support and enhance the positive work which takes place at Priory Community School.

We are a supportive group of parents and staff who meet regularly and explore ways to add value to the school through a collaborative approach. Some of the ways we support the school are through fund raising and events organisation to benefit our students and enhance a sense of fun and community.

The Friends of Priory are next meeting on Thursday 14 September at 6pm.

Consultation on Admission Arrangements from NSC

The School Standards and Framework Act 1998, requires each local authority to establish a Relevant Area(s) for admission policy consultations. The Relevant Area is the area in which admission authorities must consult with schools regarding their proposed admission arrangements before finalising them.
