Name: _____

Teacher: _____

Task: Hindu beliefs about life after death

Due: _____

You have learnt about Hindu beliefs about life after death. Design your own diagram to show what Hindus believe happens when they die. Make sure you include all of the following ideas:

- Karma
- Reincarnation
- Samsara
- Moksha

Task: Hindu festivals

Due: _____

Choose one Hindu festival (it could be Holi or Diwali that you've learnt about in school or challenge yourself and find out about a completely different one. Complete the questions below about the festival you have chosen.

My chosen festival is _____

Time of year this happens: _____

What is the story behind the festival?

How is the festival celebrated?

Draw or stick in an image that shows the meaning of the festival or how it is celebrated:

Task: Revision for week 8 knowledge test

Due: Week 8 ready for knowledge test. The date of your test will be:

Next week you have a knowledge test on the Hinduism cycle. You will need to revise all of the aspects we have covered in lessons:

- beliefs about reincarnation
- The caste system
- Hindu worship
- Hindu festivals (Holi and Diwali)

You need to bring a revision resource with you to show that you have prepared for this. You can use your classwork, your knowledge organiser and anything else you might find useful e.g. BBC Bitesize

Choices:

-Summary notes

-Summary mind map

-Summary questions and answers

-Set of flash cards
